

SY2024-2025 Extended Play: “Stay & Play”

Families can enjoy an extra 2.5 hours each day their child attends school by enrolling in the Extended Play Program. From **1:00pm – 3:30pm**, children will have rest time, a provided snack, and an abundance of time to play in our learning spaces under the supervision of CDS staff members. Extended play will be a mixed-age program for students in our 3s and 4s classes.

Beginning in September 2024, program enrollment includes 1-5 day options (Monday-Friday). You may only enroll in the days that your child also attends school.

Extended Play will not operate on days that CDS is scheduled to be closed or on days when weather related closings occur.

Enrollment Agreement and policies set forth in the Parent Handbook remain in effect during a child’s participation in the Extended Play Program.

Pre-registration is required for all enrollment options. There are no drop-ins.

All program fees are **non-refundable**.

CDS reserves the right to make programmatic modifications as needed.
